

**Correction: “Removal of hydrogen sulfide from methane using commercial polyphenylene oxide and Cardo-type polyimide hollow fiber membranes”
[Korean J. Chem. Eng., 28(3), 902 (2011)]**

Mahdi Pourafshari Chenar*, Houman Savoji†, Mohammad Soltanieh**†,
Takeshi Matsuura***, and Shahram Tabe*****

*Chemical Engineering Department, Ferdowsi University of Mashhad, Mashhad, P. O. Box 91775-1111, I. R. Iran

**Department of Chemical and Petroleum Engineering, Sharif University of Technology,
Tehran, P. O. Box 11365-9465, I. R. Iran

The affiliation of authors, Takeshi Matsuura and Shahram Tabe, was omitted because of a confusion in communication just after the proof reading. It should be corrected and the third affiliation,

*****Industrial Membrane Research Institute, Department of Chemical & Biological Engineering, University of Ottawa, Ottawa, Ont., Canada K1N 6N5, should be added.**
